Der Name

Zwiebelmuster entstand, weil die deutschen Maler die ost-asiatische Vorlage für dieses Muster falsch interpretierten und die ursprüngliche Melone als Zwiebel darstellten.

Speziell für Miniaturen

hat Reutter Porzellan das Zwiebelmuster neu entworfen und verkleinert, damit diese auf den kleinen Porzellan-teilen perfekt zur Geltung kommen.

Mit 24 Karat Gold

wird das blaue Motiv unterlegt und auf das Porzellan gebrannt, damit es seine besondere Schönheit entfalten kann.

The original name

“Zwiebelmuster“ was created by German painters which did copy Asian designs in the 18th Century. The original design was painted after a melon which wasn't known in Europe at that time. So they painted an onion instead.

Especially for miniatures

we redesigned the Blue Onion and minimized it, so that it is useable for miniatures.

The design

is printed with 24 karat Gold so that the beauty of the design and porcelain is specially visible.

Reutter Porzellan
Germany

Porcelain Production
and Handicraft

Seit über 65 Jahren stellen wir unsere große Porzellan-Kollektion selbst her. In Porzellan-Miniaturen sind wir die Einzigen in Deutschland. Unsere Aufmerksamkeit gehört dem Detail. Bis zu 17mal werden unsere Porzellan-Artikel während der Fertigung in die Hand genommen, gegossen, glasiert, bemalt und zum 3. Mal gebrannt, bis sie ihr typisches Reutter-Flair ausstrahlen. Dieses handwerkliche Können hat uns Freunde in der ganzen Welt gebracht.

For more than 65 years we have been manufacturing our porcelain collections in our own production facility. Our porcelain miniatures are the only ones of their kind to be manufactured in Germany. And we're famous for our attention to detail. During their manufacture our porcelain articles pass through the hands of as many as 17 skilled craftsmen: after casting, they are glazed, painted and then fired as many as three times to give them their characteristic Reutter look. It is this tradition of craftsmanship which has won us friends all over the world.
